Comments: Hmmm, how about adding to the website some comfort for Joe
Cinque's parents? If you state "based on true events" how about letting
the audience know just who died, and by whose hand?

Comments: Hello,

I edit the feature section of The Newcastle Herald, called H2, and am looking for some stills from your movie to accompany a story being written by one of our journalists, Joanne McCarthy, in the lead-up to the Dungog Film Festival. Would you be able to email some through to us? Preferably today if you can but tomorrow is our absolute deadline.

Thanks
